## Door Prizes

Your business rocks! Get the golfers talking about YOU by donating a door prize. Will your gift basket be the most coveted prize? Or will your swag bag remind the winner about your business for years to come? Send whatever you want your business to be remembered by (please keep in mind this is a recovery-themed event). In return, we will give you shout outs on social media, at the event and in our newsletter.

## Join Us

Take part in the fun with a day at the golf course! A team of four is \$400 or \$100 per golfer. Register at [heartview.org](http://heartview.org).

## In Memory Of...

The Heartview Memorial Golf Scramble is in memory of the many we have lost- friends and family lost to addiction or counselors and mentors who cared deeply for those struggling with addiction. Submit their name to [pr@heartview.org](mailto:pr@heartview.org) and we will recognize all those who have passed during the event.
